

DEDDINGTON PARISH COUNCIL

Minutes of the Annual Meeting of the Parish Council held at the Holly Tree Club on Wednesday, 24th May, 1995 at 7.30 pm.

Present:- Councillors Clinch (Chairman), Mrs Brewer, Clarke, Colley, Drake, Mrs Fisher, Flux, Miss Hill, Mrs Lee, Mrs Stevens, Mrs Swash and Todd. District Councillor O'Sullivan and County Councillor Matthews in attendance.

**182/94 Apologies for Absence.**

Apologies were received from Councillor Oddy.

**183/94 Resignation of Cr Bowen.**

The Chairman reported the receipt of a letter of resignation from Cr Bowen prior to his moving to live in Spain. Cr Clinch spoke in appreciation of the work Cr Bowen had undertaken for the Council, that he would be missed and wished him all good fortune in the future. The Council unanimously supported these comments.

**184/94 Minutes of the Council Meeting held on 12th April, 1995.**

The Minutes of the above meeting, which had been previously circulated, were approved as a true record and signed by the Chairman.

**185/94 Recreation and Grants Committee.**

Cr Mrs Lee reported as follows:-

(a) Grant application from Deddington Summer Playgroup. This organisation normally met in the village school free of charge, but, due to building works were unable to do so this year and were to meet at the Windmill Centre at normal charges. It was recommended and approved nem con that a grant of £200 be made.

(b) Grant application from Mr Cresswell for financial support to enable 3 junior tennis players to receive professional coaching at a higher level than he was able to give. Agreed that the Council was unable to support individuals in this manner but, should the Tennis Club be prepared to assist financially, the Council may be willing to contribute to the Club's costs.

(c) Letter from the Youth Club seeking financial support for the employment of a professional Youth Leader. No costs were mentioned and it was agreed that the Youth Club be requested to submit a detailed Grant Application.

**186/94 Environment Committee.**

Cr Mrs Brewer reported as follows:-

(a) Mrs Draper had complained regarding the light in the Stile directly lighting her garden. The Clerk stated that he had discussed this matter with the OCC Lighting Department and they were investigating the painting of a shield on the lantern.

(b) The Clerk submitted a quotation from Bus Shelters Ltd

2.

as follows:- To remove end panels and cantilever posts, supply and fit matching shelter frames to create walk through (3ft6"wide) tunnel effect and reinstate sites.

10ft Cantilever with End Panel £533.08

15ft Cantilever with End Panel £880.54

The above figures reflect an allowance for possible re-use of components, for necessary site excavations and exclude VAT. Acceptance of the above quotation was approved unanimously.

(c) Availability of awards from the County Council for special conservation projects. No scheme was thought to meet the criteria, but there was a possibility that the Conservation Lighting Project if approved may qualify.

(d) She was awaiting quotations regarding the renovation of the Tithe Lane Open Space at Clifton.

(e) The Committee had walked Deddington and produced a list of footpath and highway works which required attention which the Clerk had forwarded to the County Engineer. A query was raised regarding Clifton and Hempton and it was agreed that a further report would be made.

(f) Quotations were still awaited for the connection of a water supply to the Cemetery.

(g) The Clerk had received a reply from the County Council regarding signing etc in the village as follows:-

Audible signal at the Traffic Lights to assist blind persons using the Crossing - Such signals were only available at Pelican Crossings where there was no turning traffic. Agreed that the Clerk should write to the OCC stating that there was a phase which allowed pedestrians to cross the A4260 when all traffic was stopped and an audible signal could therefore be linked to such phase.

Replacement of "Market Place" signs with "Village Centre" Signs - Prepared to allow such replacement and a quotation would be submitted shortly. Agreed that this should be considered at the next meeting.

Restriction of Horseriding on the Deddington to Clifton and Hempton Footpaths -The relevant sections of the B4031 carry fast moving traffic and I would not, therefore, wish to approve any action which could encourage horseriding on the carriageway.

Priority markings in Chapel Square - These were painted shortly after receipt of your letter.

(h) An item should be placed on the Agenda for the next meeting regarding "Kill your Speed" signs.

#### **187/94 Planning and Property Committee.**

Cr Miss Hill reported :-

Applications.

95/579F - Manor Farm, Hempton Rd - Erection of Open-fronted garage and store. No observations.

95/638F - Tithe Cottage, Tithe Lane, Clifton - Extension to dwelling & new double garage. Drawings do not show the alignment of the proposed development with the neighbouring properties, these should be produced prior to observations

3.

being made.

95/683F - Land south of 4 Batchelors Row, The Lane, Hempton  
Erection of 4 dwellings with attached double garages - Object  
on the basis of the total inadequacy of the access and invite  
the North Area Planning Sub-Committee to meet the Planning  
Committee on site. Unanimous approval was given to this  
recommendation.

95/689F - Land west of St John's Church Hempton - Demolition  
of timber clad and stone building. Erection of detached house  
with link building to existing cottages-to be converted into  
garages with flat over ancillary to main dwelling. No  
observations.

95/701F - Green Courts, Earls Lane - Erection of Chimney and  
formation of window. The new window should be of frosted glass  
and limited opening.

95/812F - Shepherds Cottage, Hempton - Garage. No observations.

95/580TCA - Manor Farm, Hempton Road - Fell 1 Poplar and 2  
Conifer Trees. No objection but suggest replacement trees be  
planted.

Approvals.

CHN623/94 - Rear of Butchers Shop, Hudson Street - Construct 3  
garages with store over. There already is a garage building  
approved for the site and the current proposal, although larger  
was not significantly so to the point where the Sub-Committee  
felt an objection could be raised.

95/272OUT - Leaden Porch Farm, Deddington - 2 Agricultural  
Workers Dwellings - The LPA approved the application because

(i) the proposal to create the 2 poultry rearing units in  
isolation of any future requirement for additional agricultural  
workers dwellings was considered acceptable and the subsequent  
proposal for 2 dwellings would not have influenced that  
decision,

(ii) the proposal was in outline only with all matters  
reserved for subsequent consideration by the LPA,

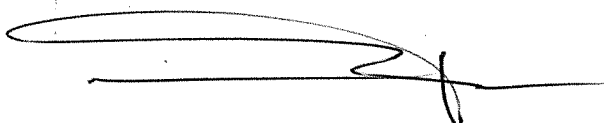

(iii) the number of vehicles using the bridleway should not  
increase significantly given that the currently nonresident  
farm workers had to drive to and from the site via the  
bridleway at present such an objection would be difficult to  
sustain on appeal and

(iv) condition 13 of the permission stated that no access to or  
from the 2 dwellings via Chapmans Lane for any vehicles serving  
the dwellings shall be permitted.

95/610F - High Street Garage - Change of Use. It was reported  
that this application had been approved subject to a condition  
that the layby in front of the premises had to be reinstated to  
verge and footpath. It was unanimously agreed that the Council  
would give support to any appeal by the applicant to have the  
aforementioned condition removed.

#### 188/94 Windmill Committee.

The complaints related to the noise made by older children using the equipment when it was initially installed. The site has now been completely fenced and it was agreed that a notice should be erected stating that the area was solely for children aged 6 and under supervised by adults.

(e) The Clerk read correspondence from the Police and the County Engineer regarding the weekend Traffic Diversions for works to Duchess Bridge at Adderbury. The diversions were already in operation. This Council's comments were appreciated however the 'absence of any viable alternative route has rendered the use of the B4031 through Chapel Square unavoidable whilst the closure is in force'. The matter be noted.

(f) The Clerk reported the receipt of an offer of grant of £3,150 from the District Council towards the £12,593.78 costs of the reduced Conservation Lighting Scheme for the Market Place. Resolved that this matter be deferred to the next meeting.

Agreed that the letter be forwarded to the OCC.

(p) Letter from Mr R Stewart who has stated a concern about the possibility of Public Conveniences being sited adjacent to the Town Hall. If the facility is for the use of visitors to the village he suggests "it would be more appropriate for them to use and enjoy the facilities of the many public houses and hotels on offer". Agreed that the letter be noted.

(q) Letter from Mr J Goddard regarding the direction signing in the village following the opening of the M40. Noone arriving in Deddington would wish to use the M40 to get to either Oxford or Banbury, yet no sign informs them of the route to take! Agreed that the letter be forwarded to the County Council.

**170/94 Car Parking in the Market Place and its Environs.**

Mr J Goddard spoke to the computerised summary, which he had prepared, of the survey of parking undertaken in October, 1994 on 4 days. The summary analysed 2 of the 4 days results and was reasonably indicative of normal conditions although it did not cover the lunch break. For most of the time, space was available though peak times were not covered. 250 surveys had been taken which generally showed 66% usage. A copy of the summary is filed as an appendix to these minutes. The Chairman thanked Mr Goddard for his work and also all the parishioners who had taken part in the survey.

**171/94 Minutes of the meeting of the Council held on 15th March, 1995.**

The above minutes which had been circulated previously, were approved as a true record subject to the following amendments to Min 155/94:-

- and signed by the Chairman.

(d) An offer from Mr C Robinson to develop ideas for possible projects to celebrate the Millenium in the Parish was accepted with thanks.

(f) A suggestion that Tays Gateway should be closed to through traffic was made and it was agreed that the Committee should investigate the matter further.

(g) A request had been received from a local undertaker as to the Council's view of a person being buried in a white sheet rather than a coffin. Such a burial is not illegal and there are no objections on public health grounds but only a single burial would be allowed in a grave space used for such burial. Resolved that the views of the local clergy be obtained prior to making a decision.

(h) The Clerk reported that the bus shelters were ready to be delivered.
