Their concerns included the detrimental impact on the appearance and open nature of the area and also access, privacy and safety issues. It might also result in disputes between neighbours. She noted that this is currently a community space e.g. the Deddington Market traders park their trailers here. District Cllr B Williams has spoken with the case officer, who was aware of the issues, and asked for a site visit. It was noted that the PC had not seen any plans and the planning application provided little information and referred to an “outside amenity space” and not the courtyard. Cllr S O’Neill declared a general interest, noting that her father had undertaken the development and had specifically included an open courtyard for everyone to enjoy.</p>   |
| 96/15 | <p><b>County and District Councillor updates.</b> District Cllr B Williams report is available on Deddington-On-Line.</p> <p><b>(i) Report from County Cllr A Fatemian:</b> was received and considered. It was noted that:</p> <ol style="list-style-type: none"> <li>1) The town hall light is just awaiting formal sign off of the paperwork.</li> <li>2) Speed activated signs cost £3.5k - £4k and offer differing levels of success. The Adderbury PC had been very happy with theirs but North Aston found little difference made with regard to speeding.</li> <li>3) The Chancellor could impose more budget cuts on 8 July 2015.</li> </ol> <p><b>(ii) Report from District Cllr B Williams:</b> received and considered. It was noted that:</p> <ol style="list-style-type: none"> <li>1) Cllr S Boulter and his colleague were thanked for surveying the species of trees in the northern boundary of Land North of Gaveston Gardens for an application for a Group TPO. This information has been passed on to Caroline Morrey, CDC’s Arboricultural Officer.</li> <li>2) CDC Local Plan – Part 2 – CDC’s Planning Policy team has commenced its public consultation. Representations should be received no later than Monday 8 June.</li> <li>3) The importance of Neighbourhood Plans. The NPPF makes clear that outside of the strategic plan-making context “...NP’s will be able to shape and direct sustainable development in their area. Once a NP has demonstrated its general conformity with the strategic policies of the Local Plan and is brought into force, the policies it contains take precedence over existing non-strategic policies in the Local Plan for that neighbourhood, where they are in conflict. Local planning authorities should avoid duplicating planning processes for non-strategic policies where a NP is in preparation”</li> </ol> <p>Cllr F East left the meeting at this point.</p> <ol style="list-style-type: none"> <li>4) <b>The</b> nomination of the ‘Duke of Cumberland’s Head’ Public House, Clifton as an Asset of Community Value has been lodged at CDC and they will now consider the application.</li> <li>5) Windmill St – Car Park. No response to date from John Slack at CDC and in the meantime children have been seen throwing material into the well which is filling it up.</li> </ol>   |
| 97/15 | <p><b>Large Scale Development Working Group Report.</b> Cllr S O’Neill had previously declared a prejudicial interest and left the meeting whilst this item was considered. Nothing to report</p>   |
| 98/15 | <p><b>Environment and Recreation Working Group.</b> Cllr S O’Neill returned to the meeting</p> <ol style="list-style-type: none"> <li>1. <b>Parish spring clean.</b> Thanks were passed to those who turned out for the Spring Clean, especially the Scouts. Next year it was suggested the event be held in April as the grass had started growing making the job harder.<br/><b>S106.</b> The NP results show a strong desire to improve recreational facilities. Cllr D Rogers proposed, the Chair seconded the motion and the Council <b>RESOLVED</b> (11 votes for and 1 abstention) that a letter will be sent to CDC making a case to consider spending S106 monies on facilities as proposed transport improvements indicate that Deddington is seen as a hub for surrounding villages.</li> <li>2. <b>Planter Sponsors.</b> The Planter on the A4260 has been removed. The gardener who had offered sponsorship of this planter will be offered either the Hempton Road or the Fire Station planters.</li> <li>3. <b>Mobile phone coverage.</b> A resident has suggested the PC write to the mobile phone companies (and Ofcom) to ask for an indication of their future plans for improving coverage across the parish. It was agreed that the resident should draft a letter and provide contact details to assist the Clerk.</li> <li>4. <b>AWC.</b> The PC is awaiting quotes for repairing the all-weather court. It was noted that the panels are no longer considered to be the standard size. Further investigation will be undertaken once quotes are received, maybe in conjunction with Wi-Fi CCTV.</li> <li>5. <b>Power Cuts.</b> The Clerk will send a follow up letter stating PC’s disappointment at no reply and asking for a response to the issue addressed about power cuts in Deddington as there was another major outage in Deddington last weekend.</li> <li>6. <b>Various maintenance works.</b> Quotes from Thomas Fox received for various works to trees, hedges and play areas totalling £2,177.50 + VAT. These works would come under maintenance and were agreed. It was suggested that the PC monies held for “Deddington Garden Club” amounting to £281.25 were available for planting trees it is hoped that this money can be spent on replacing the felled tree.</li> <li>7. <b>Cemetery.</b> The grass to the west of the cemetery is now only cut twice a year by OCC and therefore limiting sight lines and resulting in a dangerous environment. This will be reported to OCC but if necessary the steward will mow enough grass to improve the situation as an urgent H&amp;S measure now.</li> <li>8. <b>Dumping of grass cuttings at Castle Grounds.</b> Local residents will be written to and asked to refrain.</li> <li>9. <b>Coat of arms.</b> Cllr H Oldfield proposed, Cllr A Collins seconded the motion and the Council <b>RESOLVED</b> (unanimously) that the £750 cost of refurbishment of the coat of arms is approved.</li> <li>10. <b>Bins at the Town Hall.</b> Bins have been discussed with the Steward. Cllr D Rogers proposed, Cllr M Squires seconded the motion and the Council <b>RESOLVED</b> (11 for and one against) that two green bins will be moved to the cemetery and two green bins remain at the Town Hall.</li> <li>11. <b>Grass Cutting complaints.</b> County Cllr A Fatemian said that OCC officers say that that there have</li> </ol> |

A budget will be set for 2015/16.</p> <ol style="list-style-type: none"> <li><b>Speed watch.</b> The May event was cancelled by TVP, as the mechanism was broken again.</li> <li><b>Speed monitoring and insurance.</b> The group are keen to monitor throughout the Parish with the hand gun. The aim is to seek out trouble spots for future speed watch activities. The Clerk will check the legal requirements with Zurich but suggested that High Viz jackets should be worn, a risk assessment undertaken and a named list of volunteers sent to the parish office in advance of the events. It was noted that before next year's Spring Clean a list of individuals (over 18) who will be helping should be sent to the PC prior to the event for insurance reasons.</li> <li><b>Speed enforcement.</b> A resident has suggested that Adderbury seem to be getting a lot of enforcement and queried how much was being undertaken in the Deddington parish. Cllr A Collins to speak to NAG.</li> <li><b>Traffic Lights.</b> Note from Mike Best S. Traffic light engineer, the faults have been passed to Siemens.</li> <li><b>Cones.</b> Cllr M Cox proposed, Cllr J Finnigan seconded the motion and the Council <b>RESOLVED</b> (unanimous) that 6 cones be purchased at a cost of £28.80.</li> <li><b>RTC's.</b> Today there was an accident involving two cars heading north on the A4260 at the Earls Lane junction during the school run time - one ran into the back of the other. There have recently been another accident on the A4260 by the Dentist surgery, an accidents on the way into Clifton and another coming from Aynho into Clifton on the brow of the hill.</li> <li><b>Follow up from the annual parish meeting.</b> At the Annual Parish Meeting there was a discussion about the road markings at the Chapel Square pinch point. OCC have been written to with suggestions.</li> <li><b>Clifton – VAS.</b> The group will gather data, quotations and information and submit for consideration.</li> </ol> <p><b>Transport.</b></p> <ol style="list-style-type: none"> <li><b>Bus Service.</b> The S4 between Deddington and Banbury will become half hourly from 31 May 2015. The new last bus from Banbury is 7.20pm rather than 6.45pm. On the half hour the S4s from Banbury will turn round at Deddington for the return journey. The Oxford service remains hourly but faster due to the loops via Duns Tew, Middle Barton and via Oxford airport having been cut.</li> <li><b>Dial a ride.</b> BBC news has reported that the dial-a-ride bus service will be closed down from April next year, and there will be further cuts in subsidies to bus services. This means we should do our very best to encourage people to use the buses so that the new half-hourly service survives – and even improves.</li> <li><b>Transport Guide.</b> It was agreed Cllr H Oldfield should investigate producing a guide to all Deddington's forms of transport – buses, volunteer car services, taxis, dial-a-ride, hospital services.</li> </ol> |
