237/21	<p>Neighbourhood Planning. Cllr D Rogers.</p> <p>CDC completed their call for sites and published the results a month ago. This in addition to sites the NP steering group received there is now a 'land supply' that will meet not only our own Housing Needs Assessment but any future needs of the upcoming new Local plan. The new local plan will be not be released until Spring 2023. Allowing time for NP to submit its plan. Land owners and holders have been written to asking for outline schemes. This should be complete in the next few days so the NPSG will be moving into actual site appraisal where they have agreed to assess ALL sites. This will result in an ascending list of sites from least to most that meet our development needs. This will be an essential step before the statutory consultations can occur. All this will happen with a stretch target goal of May 2022 as completion.</p>																																																		
238/21	<p>Large Scale Development Working Group – Cllr D Rogers.</p> <p>Clifton Road. Fifteen houses on Clifton Road with 5 affordable houses. Discussion regarding Section 106. Land West of Wimborn – phase II. Second phase of permission for Hempton road site still has not been granted.</p>																																																		
239/21	Highways and Transport – Cllr M Cox. See 243/21.																																																		

240/21	<p>Environment and Recreation Working Group – Cllr M Robinson.</p> <p>a) Finance. Figures against budget lines are going to have to increase next year in order to maintain present level of service.</p> <p>b) Gaveston Green brambles. Awaiting quote from contractors. Must keep on top of this as it is the right time of year to do it.</p> <p>c) Litter pick. Clerk takes the view that DEN (who have offered volunteers to take on this year's pick) should have PLI. As it is an event in parish, they should be suitably insured as with any event. Clerk to check and define who is responsible.</p>
241/21	<p>Deddington Environment Network Cllr D Rogers thanked DEN for planting community orchard. Hopefully this is the start of many things to improve our community.</p>
242/21	<p>Remembrance Sunday – Cllr J Watts.</p> <p>Royal British Legion felt the day went well and thanked the Council. RBL have done a debrief and have no suggestions for improvement. Cllr D Rogers proposed, Cllr J Watts seconded the motion and the Council RESOLVED (unanimous) that the PC write to thank the contractor. This year's event cost just over £1,395 covered this year by grant. Marshalls this year expect costs next year to be 3% higher. Need to add to precept for next year to ensure sufficient monies available. To spend residual grant money on traffic cones and no parking signs to benefit other village events and lower future costs.</p>
243/21	<p>Highways and Transport – Cllr M Cox.</p> <p>a) Speedwatch. Deddington News asked to publish an appeal, and all speeding complainants be automatically invited to be involved in monitoring. Cllr H Oldfield has agreed to write an appeal for volunteers when required. To be added to the March agenda for re-discussion.</p> <p>b) Yellow lines. Deddington News and social media to inform that TVP will no longer be responsible for enforcing unlawful parking where there are yellow lines. Unlawful parking on yellow lines will be enforced. Residents must be aware of enforcement.</p> <p>c) Speeding New/High Street. Letter received from a member of the community. A new member of the community so probably unaware of previous initiatives.</p> <p>County Cllr A Fatemian enters the meeting.</p> <p>d) Traffic lights and cameras. Thanks to County Cllr A Fatemian.</p> <p>e) Road marking arrows at traffic lights. County Cllr A Fatemian to chase.</p> <p>f) Sign-post at crossroads. County Cllr A Fatemian understands that it has now been ordered.</p> <p>g) Monitoring at 30mph sign near Deddington Grange. Request to County Cllr A Fatemian to find out more regarding this.</p>
244/21	<p>County Cllr A Fatemian update:</p> <p>Proposal from OCC that if a local area wants to convert speed limits to 20mph, then they will pick up the legal fees. Legal fees are often the most prohibitive cost. Cllr A Fatemian reported that Thames Valley Police have been clear that there will be no enforcement on new speed limits. Any signage change costs needs to be picked up by Parishes. County Cllr A Fatemian will support Parish Council decision regarding this matter.</p>
245/21	<p>10 Minute Open Forum:</p> <p>Two members of public addressed the Council with their concerns regarding the speed of some vehicles. They felt everything possible should be done to reduce the chance of someone getting killed on the parish roads. They raised their concerns that electric vehicles are very quiet and powerful. They asked for what possible action was available and whether the introduction of a 60mph, 30mph and the 20mph could be possible. The PC agreed that the public and community groups should be consulted regarding the possibility of 20mph. With detailed information regarding costs, benefits and restrictions of such a scheme. County Cllr A Fatemian said that other parishes had found school art on the road was seen to reduce speed. He will investigate this and average speed cameras further.</p>
246/21	<p>Highways and Transport continued.</p> <p>a) 20mph limits. 20mph article will be re-written and submitted to the next Parish Council meeting. Cllr J Watts proposed, Cllr C Snashall seconded the motion, and the Council RESOLVED (unanimous) to formally express an interest in the 20mph limits.</p> <p>b) Hempton Road Closure. May be an issue for school collections. To include in D. News.</p>
247/21	<p>Update from the Parish Council Representatives.</p> <p>Deddington Primary: There was an OFSTED inspection. It was a type of inspection that cannot award a higher grade than Good, and required as many Governors to attend a governance review. The official report will be available shortly, the Governors remain confident in a very well-run school.</p> <p>County Cllr A Fatemian and District Cllr B Williams left the meeting.</p>
248/21	<p>Any other business.</p>

	<p>a) Deddington Nursery. The nursery is not able to move to the Primary School site, and need more money to improve/ replace building on existing site. Requested advice on fund-raising opportunities.</p> <p>b) COVID. Emergency plan needed for if a shutdown is required allowing Clerk to continue to operate. Agenda for December.</p>
