## Section 3 - External Auditor Report and Certificate 2022/23

In respect of

**Deddington Parish Council** 

## Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a limited assurance review is set out by the National Audit Office (NAO). A limited assurance review is not a full statutory audit, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2023; and
- · confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

## External auditor report 2022/23

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met

It was noted on review that the announcement of the Period for Public Rights was the same date as the approval of Section 2 of the Annual Governance and Accountability Return. Regulation 12 - 15 of the Accounts and Audit Regulations 2015 set out the order required to be followed when approving, announcing and publishing the Return and related documents in order to satisfy the Public Rights requirements. The Return must be approved prior to the Notice being published. To be able to demonstrate this, best practice is that the Notice is published no sooner than the day following the approval meeting and the Public Rights period commences no sooner than the next working day after that.

Other matters not affecting our opinion which we draw to the attention of the authority.

The Return required to be amended in respect of Box 10 of Section 2 - Accounting Statements. This was originally left blank and resubmitted with a '0' inserted. The original return advertised to the public was therefore technically incorrect, but we consider there to be no significant impact from this omission. The Council should in future ensure that all boxes are fully completed in accordance with paragraph 2.5 of the Practitioners' Guide.

On review of the Internal Audit Report, Section 1 and Section 2 there were differences noted regarding the sole trustee status of the council. The council confirmed they are a sole trustee of The Castle Grounds (Charity number: 304291) therefore Assertion 9 of Section 1 should have been ticked 'Yes' instead of 'N/A' as well as Boxes 11a and 11b on Section 2 being ticked 'Yes' and 'Yes' respectively. These forms were later resubmitted with the responses noted above and so there are no further concerns in this area.

Additional variance information needed to be requested. The parish council should in future ensure that all the necessary supporting information is provided with their initial annual submission.

We note that the Internal Auditor has marked control objective F as not covered. The council operates an imprest system which is a version of a petty cash system, although in this case it appears to be an extension of their banking system. It may therefore be that the necessary control checks have been covered as part of the banking checks.

## External auditor certificate 2022/23

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.
