He then read a letter from Cr Oddy making reference to several matters within the questionnaire which were dealt with to the Council's satisfaction. Mr Flux then went through the questionnaire, question by question, replying to Members comments as they were put and as a result of which a number of alterations were made to the draft. The Chairman referred to the letter from Mrs Drake which had been passed to this meeting by the previous Council Meeting and a suitable question regarding the positioning of the recycling containers and the skip was agreed.

The costs of the exercise were stated to be approximately £800 some of which had already been paid by the Parish Council. It was proposed by Cr Barlow and seconded by Cr Canning that the questionnaire as now revised be approved and that the scheme proceed. The motion was approved by 10 votes to 1.
