Further RESOLVED that the need to keep minutes be impressed upon the group.

Progress report The Clerk reported that the Sports Council wished to present a plaque to commemorate its association with the venture and RESOLVED that this be formally presented at the Official Opening, the date of which had still to be agreed between the Council and the committee. Further RESOLVED that the application of the Cricket Club for financial assistance from the District Council be supported.

11. Planning Committee reported that they had met and had no objection to four detached dwellings with a new access at the rear of Maunds Farmhouse, or to alterations at The Corner House, Hempton, or the new agricultural access to Stonepits, Hempton Road, but felt that the new proposal to re-site Manor Farmhouse, Deddington, although preferable to the previous one was still premature. Arising therefrom, RESOLVED that the District Council be asked to consider "listing" the existing Manor Farmhouse.

12. Planning applications

(a) The Grove It was noted that there was no adequate site plan, the density was too high, there was a poor access to A423 and inadequate Parking space.
