216/21	<p>Neighbourhood Planning. Cllr D Rogers. Cllr D Rogers and Cllr A Collins met a planning officer at Cherwell District Council. This officer is also advising on the neighbourhood plan. The Local Plan Review is currently ongoing. Neighbourhood Plan steering group to be advised to get the neighbourhood plan completed as soon as possible. Potential sites for development need to be assessed, ranked and then put to the public. The inspector of the completed neighbourhood plan will need to know that the plan will be reviewed when Cherwell inform of target housing figures.</p>
217/21	<p>Large Scale Development Working Group – Cllr D Rogers.</p> <p>a) Hempton Road site. Spine road and Streetlights are going to be adopted by OCC. The rest going to be adopted by a management company.</p> <p>b) Consider a response to the Cherwell Local Plan review. DPC is responding to the CDC Options paper on the assumption that the Local Plan Review will go ahead as planned, irrespective of possible government legislation on planning. If some of the bases of the government paper Planning for The Future were enacted, in particular the division of land into zones, DPC would like to establish very clearly that Deddington should not be classified as a</p>

	<p>Growth zone. The historic nature of the medieval village, the Scheduled Ancient Monument, the extensive Conservation Area and high number of listed buildings, the surrounding landscape, all combine to make the parish better suited as a "Protected Area". Cllr H Oldfield proposed, Cllr M Robinson seconded the motion and the Council RESOLVED (unanimous) to submit the response.</p>
218/21	<p>Highways and Transport – Cllr H Oldfield Cllr S O'Neill returned to the meeting.</p> <p>a) Speed watch. Cllr J Watts updated that as a Parish Council a response is required. Cllr D Rogers asked is there is a councillor willing to take on the role of speed watch coordinator. Cllr H Oldfield offers to consider taking up the post in April. This will be reviewed in the March meeting ready to be instated in April. Clerk requested to write to Thames Valley Police regarding enforcement. Cllr J Watts to find the contact, and to pass this onto the clerk.</p> <p>b) 20 mph limits. To consider submitting paperwork for Hempton, Earls Land and possibly Hudson Street. Thanks were expressed to County Cllr A Fatemian for bringing this project to fruition.</p> <p>d) SSE-Power Cuts. Major power cut in the parish on Saturday. Feedback from Cllr J Watts that the emergency situation was responded to quickly and effectively, with a generator brought in in Hempton.</p>
219/21	<p>Environment and Recreation Working Group – Cllr M Robinson.</p> <p>a) EA lavatories. Capital cost concern that if plans for an outside toilet do not go ahead, there would be pressure to provide a portaloos again next year, with this cost being higher, and coming from revenue-budget. Ongoing cleaning costs are a concern. The Windmill Centre have suggested that the toilet only be open for a 30-week period between April and October. There is a written agreement that the Windmill Centre cleaner will provide cleaning services Monday to Friday, at an anticipated annual cost of approximately £1,320. Agenda for November meeting.</p> <p>b) Litter pick. Suggestion that this no longer be organised by the parish council due to health and safety concerns. Parish council should instead provide equipment and organise removal of litter bags afterwards. Deddington Environment Network have offered volunteers. Cllr J Watts happy to coordinate. Village litter pick scheduled for 20 November. Cllr M Squires exploring the option of putting an A board up in the village centre containing litter picking equipment.</p> <p>c) Gaveston Green wall. 220/21	<p>Deddington Environment Network – Update from Cllr J Eames. Community Orchard at Welford's Piece. 15 heritage fruit trees planted in the land at the far end of the field.</p>
221/21	<p>Remembrance Sunday – Cllr J Watts. Request for as many councillors as possible to attend the parade. Cllr M Squires returned to the meeting. Parish Council to be responsible for closing the roads safely, and for giving the signal for the parade to leave, as it can only proceed when the contractor says it is safe. Gathering in the bullring at 10:30 on Remembrance Sunday.</p>
222/21	<p>Update from the Parish Council Representatives. Cllrs M Cox and D Rogers attended the Local Strategic Partnership (LSP) meeting. CVC, who are responsible for collecting business rates, are in a position in which their new target is the amount they managed to collect pre-COVID. Thus, they are in a position of having to do their statutory function, whilst having to look at discretionary duties to work out what to cut. Cllr D Rogers has asked Cllr Wood and Cllr Williams for a list of discretionary functions, to indicate what might have to disappear from the community.</p>
223/21	<p>Any other business. None.</p>
224/21	<p>Date of the next meeting: The next Parish Council meeting will take place on Wednesday 17 November 2021 in the Hempton Lounge, Windmill Centre. Meeting Closed at 9:59pm.</p>
