

Regulation 14 Consultation - again!

Thank you to everybody who responded to the Regulation 14 consultation on the Deddington Pre-Submission Neighbourhood Plan earlier. Unfortunately there is one document that was missing before. This was the full Draft SEA report by AECOM (in addition to the two site reports and Housing Needs Assessment by AECOM). It is a requirement of the neighbourhood plan process that this full report be circulated and publicised. So [here](#) it is – a big file so takes some time to load.

You have six weeks to respond to it if you wish – the deadline being 6 May 2023. Please send your comments to info@deddingtonneighbourhoodplan.org or by post to **Parish Office, Windmill Centre, Hempton Road, Deddington, OX15 0QH** (marked for the attention of Cllr Alan Collins and the DNP steering group).

We are sorry for our oversight (and the extra reading for you). This additional consultation should not delay the neighbourhood plan process because Cherwell District Council will not proceed to the next stage – the Regulation 16 consultation, with the plan modified in light of your responses – during the pre-local election period. CDC has put off certain decision-making and consultations until after the local elections on 4 May.
